### **Catch Presentations from Librarian Guest Presenters and Springshare Experts at Booth #439**

MIAMI (June 18, 2025)—Springshare will be hosting exciting flash presentations at Booth #439 in the ALA Library Marketplace in Philadelphia, PA from June 27 through June 30. The lineup includes guest presenters from public and academic libraries who will be sharing how they have implemented Springshare Tools to support, expand, and enhance their library services.

#### **Guest Presenter Schedule**

*Friday, June 27*

6:00pm - [Bibliotheca + Springshare Joint Presentation](#)

*Saturday, June 28*

3:40pm - [Never Leaving the LMS: Reaching Users in Canvas Using LibGuides and the LTI Tool](#)

*Sunday, June 29*

10:15am - [Enhancing the Virtual Learning Center with Springy Tools: LibCal • LibWizard • LibGuides](#)

2:15pm - [Nailed It: Building a Teaching Toolbox for Information Literacy](#)

3:30pm - [Jump Start Engagement with Patron Point!](#)

#### **Springshare Expert Presentations**

Members of the Springshare team will also be showcasing the latest updates across Springshare products. ALA attendees will have multiple chances to see [LibSites](#) featuring the Personalized Patron Portal, our newest marketing tool – [LibConnect Pro](#), and the latest updates to [LibMaps](#).

**For the full schedule and presentation descriptions, view the [Springshare Conference Calendar](#).** In addition to catching these exciting flash presentations, ALA attendees can visit

Booth #439 to chat with the Springshare team, ask questions, and pick up fun swag.

Anyone not attending ALA in person can watch a selection of flash presentations live streaming on Springshare's [Facebook page](#) during the conference and sign up for the [Springy Share blog](#) to receive a post-ALA conference recap blog post with links to the recordings.

#### **About Springshare**

[Springshare](#) helps libraries and educational institutions elevate their online presence to better serve and engage their users online. Founded in 2007, Springshare serves over 7,500 institutions across more than 100 countries.
